

MEN'S BREAKFAST - FEET WASHING ATTITUDE

Teaching here is not to wash each others feet, or finding a clever way to serve others, since feet washing was very common back then - its more an attitude, a humble servant attitude:

- Taking on a menial task or accepting a lesser role.
- Not insisting on our "rights" or "privileges."
- Meeting others' needs before meeting our own.
- Looking for a job no one else will do and cheerfully doing it.
- Focusing on the results being achieved, not who is getting credit.
